Tarefa 3.8.4.-Modificación de informes / Daniel Fernández Durán / 04-11-2026

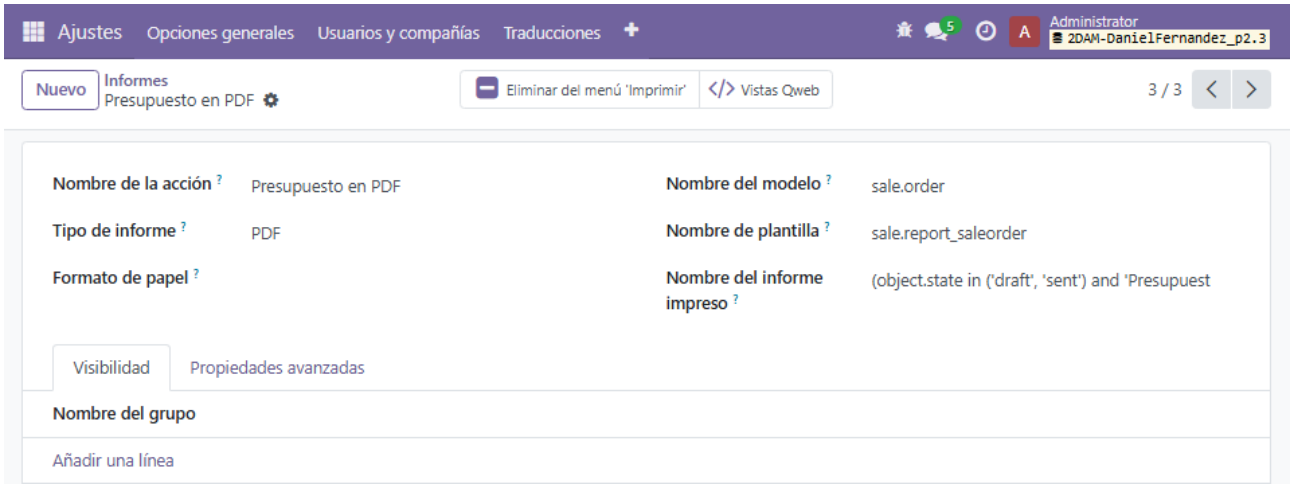

Primero entramos en ajustes y buscamos Informes

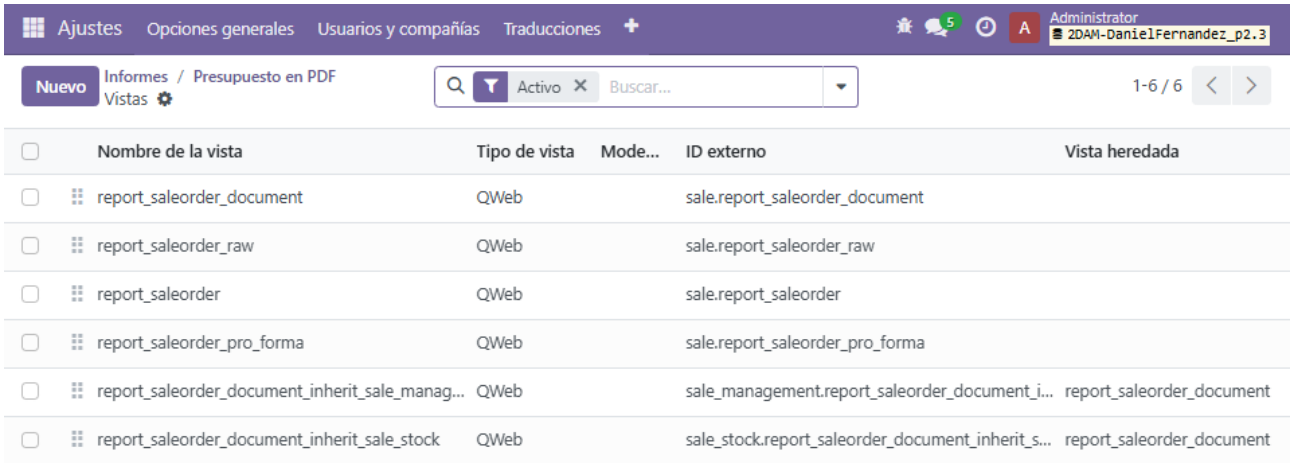

Ahora buscamos sale.order y entramos en el último

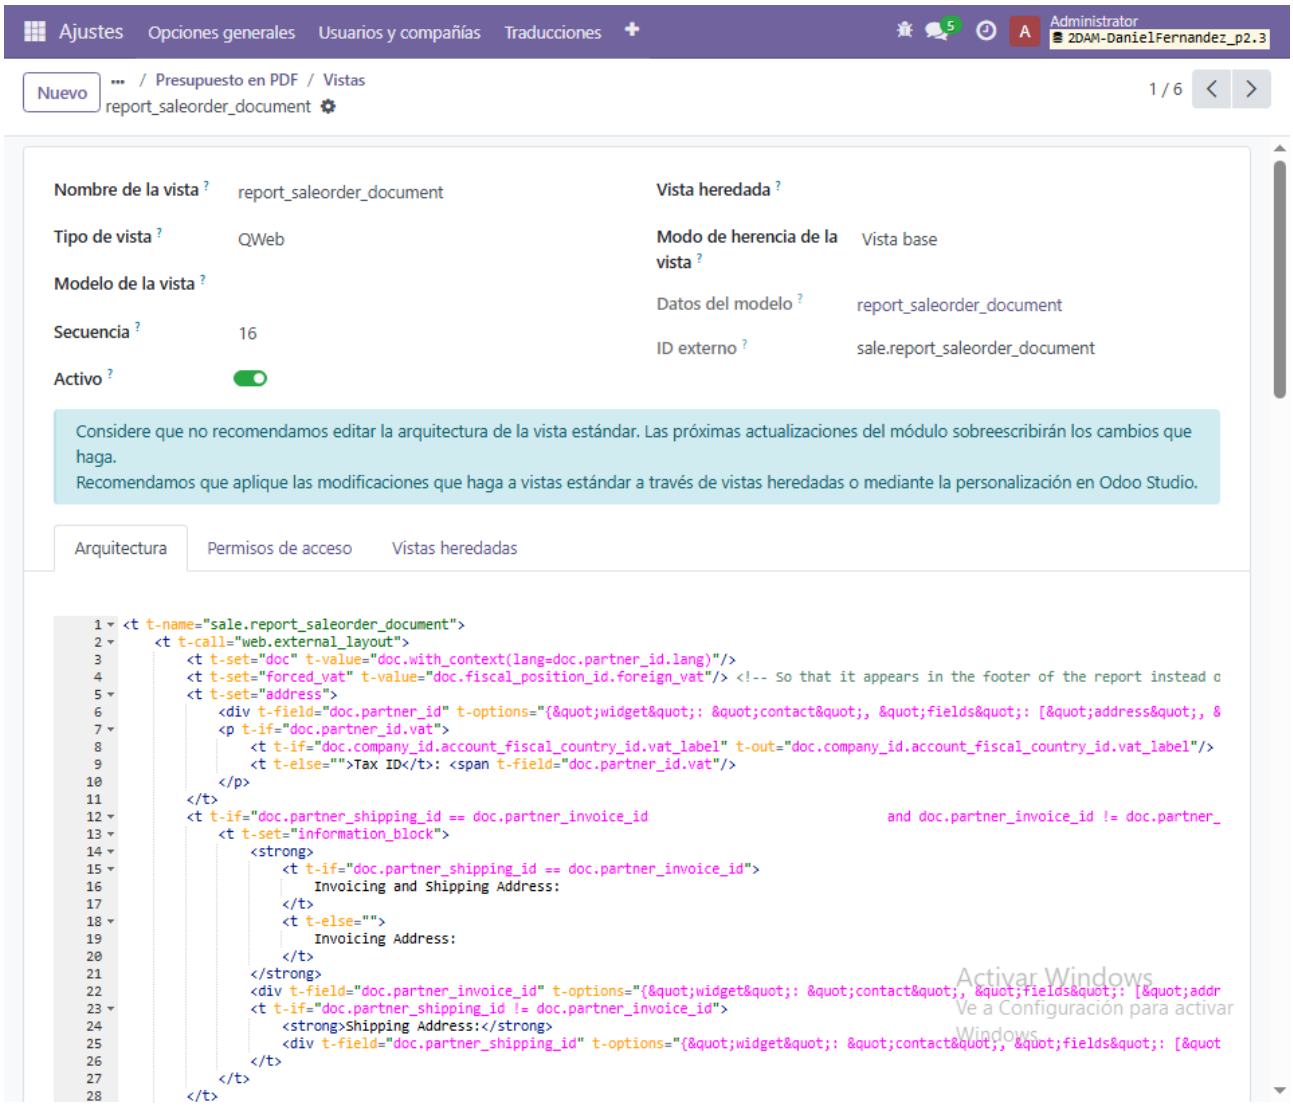

Le damos a Vistas Qweb para ver el código

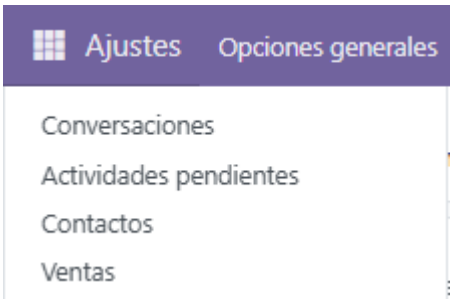

Seleccionamos la primera que es el document

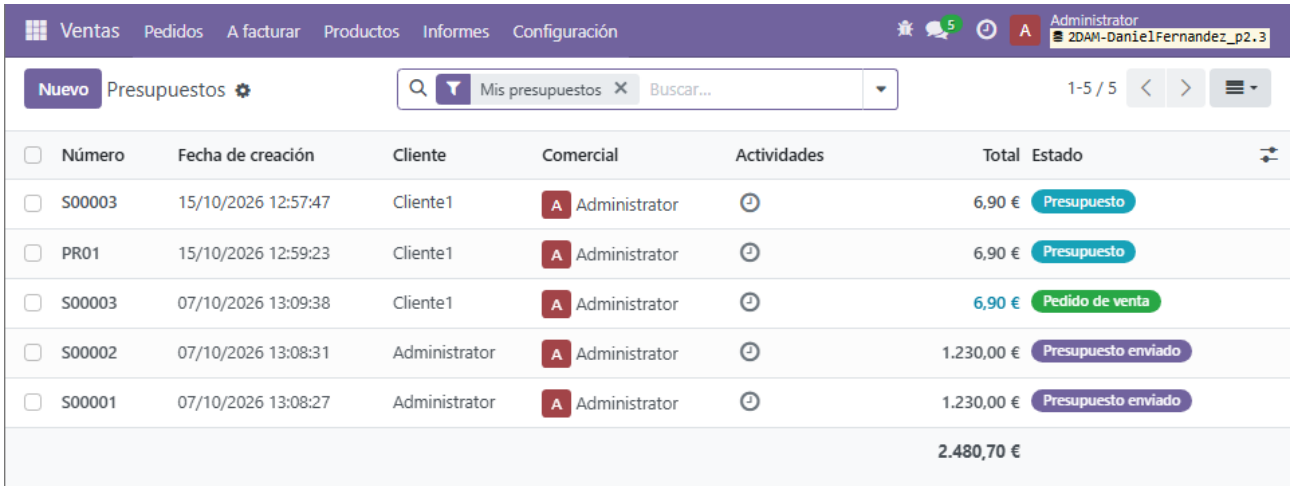

Aqui podemos editar el código del documento

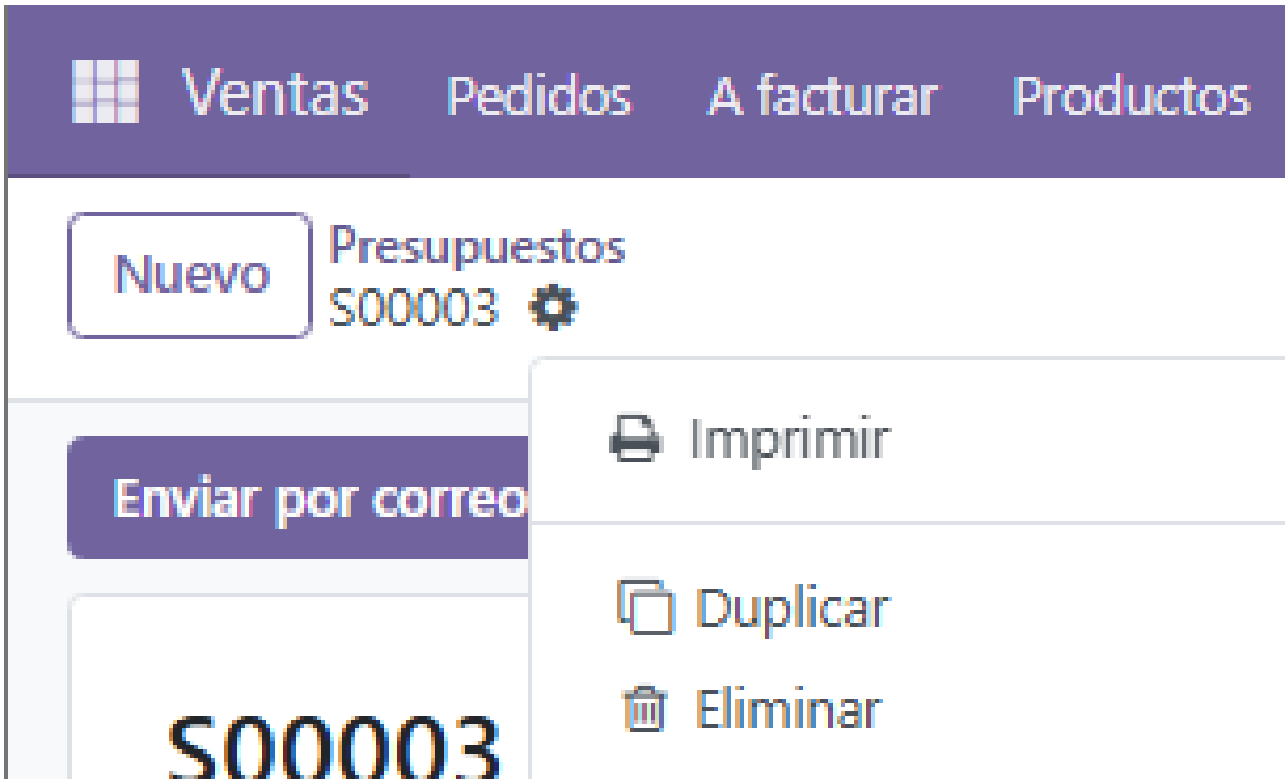

Ahora entramos en el módulo de ventas

Seleccionamos una y en ajustes le damos a imprimir

Nos descargará el documento con los cambios que realizamos
